

14-1 What are the characteristics of science learned thus far in this unit?

\*\*\*\*\*Patient to  
Psychologist: "I have a complaint I have not gotten any better since I've come  
to you>"  
Doctor: "Have you gotten worse?"  
Patient: "No, I don't think so."  
Doctor: "Twenty-five dollars please."  
\*\*\*\*\*Person A reading  
paper: "I see another committee is being formed to study urban growth problems."  
Person B having coffee with person A: "I feel like daily life is part of a  
research project!"
