Don’t Ignore the Alarms!

• Never ignore fire alarms
• Do not wait to see fire or smoke
• Don’t worry about “grabbing your stuff.” Your life is more important.
• Report ALL fires to the fire department.
• Once you’re out – STAY OUT!

Be Prepared for Emergencies:

• Find and remember all possible exits from your room or residence.
• Make a fire escape plan that includes two different escape routes.
• Practice your fire escape routes.
• Perform a “home inspection” for fire and safety hazards.
• Tell your roommates about your plan.
• Call your local fire department for more information about student housing fire safety.
